Dear

Do you wish to be a part of the DCBs professional coaching opportunities?

Community Cricket Programme

The main benefit of the Community Cricket programme is to:

- Provide Coaching for Clubs and Schools
- Develop and support more Club/School Links
- Provide support for District Development Groups
- Support Clubs through 'secondary stage' development planning
- Liaise with Local Authorities on Community Schemes, Schools, Comps, Schools Coaching etc
- Help District Development Groups with Development of Holiday & Community programmes
- Development of Fundamentals within Clubs

On the attached sheet you will find a 'menu' for choosing the support you may need and how much you will need to contribute to the programme in financial terms. If you require more information about what is available or to discuss your needs, then please call Greig Wright, Performance Officer.

The appropriate official in your organisation will need to sign this agreement.

Once you have returned the 'agreement', and finalised details of your programme we will be able to start delivery of your programme.

You will be invoiced directly from the DCB Office.

Best wishes,

Greig Wright
