

Club Matters

Developing Cricket Clubs and District Development Groups within Derbyshire

Issue 18 - November 2010

Editors: Mick Glenn and Jacqui Hendrick

Kevin is a National OSCA Winner

Kevin Malone of Killamarsh Juniors CC was the proud winner of a National OSCA when the awards ceremony was held at Lord's on the 18th October. Kevin was the Derbyshire winning nominee in the 'Behind the Scenes' category. He was nominated by his club in recognition of the vast amount of work he has done over many years at all levels making a significant

contribution to the smooth and successful running of the club.

This award is a great honour for Kevin, Killamarsh Juniors CC and for Derbyshire.

The ceremony, hosted by Jonathan Agnew, paid recognition to volunteers young and old from across the cricketing landscape and saw eight awards presented to reward the outstanding contribution of individuals. Kevin's award was presented by Clare Connor OBE, Head of Women's Cricket at ECB.

Grand plans for NWCF 2011

A staggering 1,000 clubs have already signed up for NatWest CricketForce 2011 as momentum begins to build ahead of next year's event.

In Derbyshire we currently have 59 clubs registered but we hope to have more. The benefits of signing up to cricket force are huge and we would like to see as many clubs as possible taking advantage of this great opportunity.

The event has many sponsors offering good discounts on products which could make a real difference to your club. It only takes two minutes to register and we are offering one to one support to help with the registration process.

For more information contact Neil Birkitt at the DCB

Derby College are on Board to help Clubs

The ECB and Derbyshire Cricket Board have teamed up with Derby College. Derby College's Construction Academy, based in Ilkeston, is the first in the UK to sign a formal agreement with the ECB which will see them providing students to work on a wide range of building projects for cricket clubs in Derbyshire, and beyond if necessary.

This year the students will focus on Sawley and Long Eaton Park Cricket Club, where 300 people are expected to come together to refurbish an existing pavilion for the West Park based club. There is also the potential for 50 smaller projects at cricket

clubs throughout the County which students can assist with. Mick Glenn, DCB Club Cricket Development Manager added "This is all about getting better facilities and improving morale at cricket clubs in the County. Supporting clubs to upgrade their facilities will attract new members and help them to become more financially sound - in turn providing increased support to the communities."
